

# The Greater Cincinnati Health Council's 2007 Advanced Preceptor Award Program

## *Application*

The Greater Cincinnati Health Council's Advanced Precepting Award program is designed to recognize and reward top Tristate health care professionals who support health care students and new health care employees through their organization's precepting program.

### Preceptor criteria:

- The preceptor must be a nurse or allied health professional.
- The preceptor must have 2 years of occupational experience.
- The preceptor must be professionally competent, committed to students/new employees and to their organization, and they must exhibit a respectful and caring attitude.
- The person completing the application must have been precepted by the professional during the time period from January 2007 to December 2007.

Applications may be completed by health care students in clinical rotations, new employees, or faculty members working with clinical students and their preceptors.
