Projects/Events—This Week

Solutions in Quality & Patient Safety

We hope you will join us for *Solutions in Quality and Patient Safety 2011* on November 10 giving you new ideas to take your safety and quality efforts to the next level. This event will be held at the Cintas Center at Xavier University from 8:00 am to 2:15 pm. An outstanding line-up of national leaders in the field will share strategies that can be implemented immediately in any care setting. For more information and to register please click [here](#). Walk-ins welcome!

Sustainability Initiative

You are invited to attend the kick-off event for the new Health Council sustainability initiative. With a goal of improving health through reduced environmental impact, the meeting will take place on November 11 from 8:00 to 9:30 am at the Health Council office. Featured speaker will be Christina Vernon, Senior Director of Sustainability and Environmental Strategy at the Cleveland Clinic. To RSVP or for more information contact [Maurie Hanauer](#).
